Successful Planning, Organising &
Delegating

Successful Planning, Organising & Delegating

Introduction:

The environment of current business requires an increased focus on practices and skills in planning projects and work, properly organizing tasks, and one's work to improve productivity and delegating work to empowered staff. Businesses and indeed, all organizations, find themselves needing more productive methods of planning, more appropriate goals, and effective means of accomplishing work. A focus on using productive best practices allows for effective and efficient management of work and making changes in the organization.

This conference is designed to give participants an understanding of several management methods, processes, and procedures, as well as practice on several key management techniques. The principles used are easily adjusted to an organization's or individual's work assignments. The conference presents a methodology of common, standard management techniques using a simple theoretical foundation and enhances learning with practical activities so participants can develop knowledge and skill to manage more effectively and efficiently.

Conference Objectives:

At the end of this conference the participants will be able to:

- Recognize internal and external influences on our daily planning
- Use basic planning process tools to plan work and project strategy
- Understand and develop skills necessary to complete work on time
- Learn how to organize work and projects to complete them successfully
- Understand how delegation can be used in planning and organizing
- Understand the characteristics of colleagues who do work in our teams
- Develop positive interpersonal techniques for better team relationships
- Develop the ability to make higher quality decisions as work is planned and organized
- Build and maintain effective and efficient procedures in the organization
- Complete work on time, on budget, and exceeding customer expectations
- Improve preparedness to deal with work task contingencies
