Women Leaders INSEAD

Women Leaders INSEAD

Introduction:

The Women Leaders training Programme is a cutting-edge executive education offering by INSEAD, one of the world's leading business schools. With a strong emphasis on gender diversity and leadership development, this program aims to address the unique challenges and opportunities that women face in their leadership journeys.

Program Objectives:

At the end of this program, the participants will be able to:

- Strengthen participants' leadership capabilities through self-assessment, feedback, and targeted skill-building exercises.
- Enhance strategic decision-making skills by analyzing complex business scenarios and understanding the broader organizational context.
- Help participants develop a strong personal brand and executive presence that aligns with their leadership goals.
- Provide techniques to effectively negotiate, influence, and communicate in both formal and informal leadership situations.
- Explore strategies for creating diverse and inclusive work environments and leveraging the benefits of diverse teams.
- Equip participants with the tools to navigate career transitions, seize opportunities, and overcome potential barriers.
- Foster a supportive network of like-minded women leaders, allowing for peer learning, mentorship, and collaboration.

Targeted Audience:

- Middle and senior managers.
- Directors and VPs.
- Entrepreneurs and business owners.
- Nonprofit and government sector leaders.
