Public Relations International Protocol and Events

Introduction:

The Public Relations International Protocol and Events program is a specialized training focusing on equipping professionals with the necessary skills and knowledge to navigate diplomatic and cultural protocols in international settings. Through hands-on exercises and case studies, individuals develop proficiency in planning, executing, and managing international events while fostering positive relationships across diverse cultural contexts.

Program Objectives:

At the end of this program the participants will be able to:

- Explain how to behave correctly in both business and social situations
- Describe how to interact and communicate effectively with different types of guests
- Demonstrate appropriate personal and professional conduct
- Plan VIP visits and formal occasions while executing the role of the ideal host
- Apply proper communication etiquette
- Implement different variations in protocol and etiquette from different cultures, nations, and regions

Targeted Audience:

- Personnel officers
- Public relations professionals
- Events organizers
- Personal assistants
- Employees in the hospitality business and all those whose position requires dealing and interacting with important persons in both government and private sectors.
