Award in Customer Service

REF: V21 DATE: 28 April - 9 May 2024 Venue: Dubai (UAE) - Fee: 7480 Euro

Introduction:

In today's customer-oriented business environment, interpersonal skills are a critical component for promoting customer satisfaction and organizational success. This customer service training program gives participants the tools, resources, and confidence they need to enhance customer relationships and promote customer service excellence within their organization.

Program Objectives:

At the end of this program the participants will be able to:

- Embrace best practices for exceptional customer service.
- Cultivate a mindset focused on ongoing enhancement for customer satisfaction.
- Identify and foster components crucial for customer retention and loyalty.
- Implement methods to measure and uphold customer service standards.
- Develop insight into both internal and external customer expectations.
- Enhance communication through active listening, questioning, and proficient phone and written messages.
- Targeted Audience:
- Managers among all managerial levels.
- Supervisors.
- Team leaders.

Program Outlines:

Unit 1:

Introduction to Customer Service:

- Understanding the importance of customer service in business success.
- Exploring different types of customers and their needs.
- Identifying key principles of excellent customer service.
- Recognizing the impact of exceptional customer service on brand reputation.

- Introducing the concept of customer satisfaction and its significance in business.

Unit 2:
