## Certified GRC Professional GRCP

REF: I1815 DATE: 6 - 10 May 2024 Venue: Bangkok (Thailand) - JW Marriott Bangkok Fee: 6960 Euro

### Introduction:

The training program helps individuals develop a core understanding and skills to integrate governance, risk management and compliance in one capability. It also prepares you to successfully pass the GRC Professional GRCP certification exam and become individually certified as a GRCP. The GRCP certification shows the individual has the core understanding and skills to integrate corporate governance, risk management, internal control and compliance activities.

### Program Objectives:

At the end of this program the participants will be able to:

- Develop a comprehensive GRC strategic plan to align governance, risk, and compliance within the organizational context.
- Understand, define, and enhance organizational culture in relation to performance, risk, and compliance objectives.
- Implement effective, efficient, and agile GRC processes utilizing the OCEG GRC Capability Model.
- Motivate and inspire desired conduct through the concept of Principled Performance.
- Recognize the role of technology in enhancing GRC practices.
- Establish ongoing monitoring and continuous improvement of GRC activities through metrics and measurement, while demonstrating the value of an integrated approach to GRC and Principled Performance to management and the board.

### Targeted Audience:

- Internal auditors.
- Compliance professionals, Governance professionals, and Risk management professionals.
