Building Skills for Working in Teams: Igniting Passion & Activating Potential in Teams

REF: C503 DATE: 2 - 6 December 2024 Venue: Trabzon (Turkey) - Fee: 5850 Euro

Introduction:

A truth about life is our interdependence. Everything we accomplish within an organization is through the efforts of people working together. In spite of our technological advances, our competitive advantage lies in our ability to work effectively with other people.

The premise of this program is that organizations are much more healthy and productive when their relationships are strong and people work together. In a highly interactive environment, team members enjoy their work while learning principles and skills to ensure that they communicate, resolve conflicts, solve problems, make decisions and maintain a positive work environment. In this conference we will cover:

Conference Objectives:

At the end of this conference the participants will be able to:

- Study effective team operations.
- Analyze effective communications strategies.
- Understand how to give and receive effective feedback.
- Consider effective team dynamics and decision making.
- Explore team problem solving and conflict resolution mechanisms.
- Examine time management and personal productivity.
