Contract Drafting for Procurement, Tendering & Commissioning

REF: U273 DATE: 17 - 21 June 2024 Venue: London (UK) - Landmark Office Space Fee: 5300 Euro

Introduction:

The critical importance of effective and appropriate contract drafting catered to the specific needs of the particular business and the situation cannot be emphasized enough. Robust contracts identify and minimize risk for the organization and ensure that projects and procurement are carried out efficiently and without costly disputes. All too frequently contract wording used is not properly understood which ultimately detrimentally affects the performance of the project and even possibly leads to contract failure.

Procurement and tendering have become increasingly sophisticated but all individuals need to be aware of the current and best practices adopted by some of the major international corporations to increase the effectiveness of their procedures. This course will assist all individuals in dealing with such contract wording and procedures to maximize the benefits to the organization and reduce risks.
