Strategic Planning & Goal Setting: Setting Business Goals, Targets & Deliverables

REF: C678 DATE: 21 - 25 October 2024 Venue: London (UK) - Landmark Office Space Fee: 5850 Euro

Introduction:

Effective strategic planning is essential to the future success of any organization. However, most strategic planning is lacking in vision. It is merely a straight-line extrapolation of the past into the future. In a world where the pace of change is greater than ever before this is at best shortsighted and at worst a prescription for disaster. Real strategic planning is about positioning the organization for a future that will be different from the past. This new seminar will focus on strategic planning as the essential management system guiding the organization into the future by setting focused goals that will establish and enhance competitiveness.

Conference Objectives:

At the end of this conference the participants will be able to:

- Understand how to design visionary strategic plans
- Examine a model for organizational and individual assessment
- Provide insights into strategic planning problems to avoid
- Identify and learn from examples of strategic success and failure
- Understand the nature of the organizational life cycle
- Provide insights into productive contingency planning
- Understand the global business environment of the 21st century
- Learn how to measure performance and manage progress

Targeted Audience:

- Managers
- Supervisors & Team leaders
- Human resources department
