# Audit Committees in a New Era of Governance

REF: A2161 DATE: 10 - 14 November 2024 Venue: Sharm El-Sheikh (Egypt) - Sheraton Sharm Hotel, Resort, Fee: 3520 Euro

## Introduction:

This training program equips participants with the knowledge and skills necessary to fulfill the crucial role of audit committees in corporate governance. Through it, they will enhance transparency, integrity, and effectiveness within their organizations' governance frameworks.

## Program Objectives:

At the end of this program, participants will be able to:

- Understand the evolving role of audit committees in modern governance.
- Identify key risks and challenges facing organizations today.
- Develop effective strategies for managing risk and ensuring compliance.
- Evaluate financial reporting and internal control systems.
- Foster a culture of ethical behavior and accountability within the organization.

## Targeted Audience

- Board members.
- Senior executives.
- Internal and external auditors.
- Risk managers.
- Compliance officers.
- Legal counsel.

## Program Outlines:

### Unit 1:

#### Navigating Audit Committee Dynamics:

- Overview of Audit Committees and their role in corporate governance.
- Recent trends and challenges facing audit committees.
