Strategic Thinking & Business Planning

REF: C679 DATE: 4 - 8 November 2024 Venue: London (UK) - Landmark Office Space Fee: 5850 Euro

Introduction:

Too often company executives and professionals spend most of their time fixing day-to-day problems. They react to problems, rather than focusing on what they would like the company to be and then on making it happen. This program focuses on changing the way we think from reacting responding to day-to-day problems, fixing and repairing to developing plans for what we want to have happened and then implementing the plans.

Conference Objectives:

At the end of this conference the participants will be able to:

- Learn how to develop a plan to achieve the goals you want for you and your company, and develop strategic thinking in your organization/business unit/team.
- Determine where you and your company want to be.
- Develop a strategic plan for - your organization company/division/business unit/team and for yourself personally.
- Identify the principles and mechanisms that drive successful implementation.
- Develop measurable action plans that result in success. Identify, measure, and track critical success factors.
