Professional Certificate in Customer Experience and Journey Strategies

REF: V2306 DATE: 19 - 23 August 2024 Venue: Madrid (Spain) - Fee: 5300 Euro

Introduction:

This Professional Certificate in Customer Experience and Journey Strategies training program is designed to equip participants with the knowledge and skills necessary to create exceptional customer experiences and develop effective customer journey strategies. Customer experience is a critical aspect of any successful business, and organizations that prioritize it can gain a competitive edge in today's highly competitive market.

Program Objectives:

At the end of this program, the participants will be able to:

- Understand the fundamentals of customer experience CX and its significance in modern business practices, learning how to analyze customer behavior and preferences to enhance the overall customer journey.
- Explore various CX measurement metrics and techniques to evaluate the effectiveness of strategies, gaining insights into designing customer-centric products, services, and touchpoints.
- Discover methods to handle and resolve customer complaints and turn dissatisfied customers into loyal advocates, identifying ways to foster a customer-centric culture within an organization.
- Gain knowledge of the latest technologies and tools that can improve customer experiences.
- Create and implement successful customer journey maps to streamline interactions and improve customer satisfaction.

Targeted Audience:

- Customer Service and Support.
- Marketing and Sales.
- Product and Business Development.
- Customer Relations.
- Brand Management.
- Operations and Strategy.
- Entrepreneurs and Business Owners.

Program Outlines:

Unit 1:
