Leadership & Strategic Impact

REF: ST1719 DATE: 29 September - 3 October 2024 Venue: Sharm El-Sheikh (Egypt) - Sheraton Sharm Hotel, Resort,
Fee: 3520 Euro

Introduction

Strategy is both complex to develop and challenging to implement. Leaders of organizations have the responsibility and accountability for both - development and delivery. The world is currently very volatile and unpredictable, which requires management to adopt a more adaptable and agile approach to strategy and strategic planning. This Leadership & Strategic Impact training course offers delegates a range of tools and techniques to assist them in preparing forecasts and envisioning potential futures. It also addresses key leadership skills needed to galvanize the workforce including communication, persuasion, influence, and delegation.

Course Objectives

At the end of this course the participants will be able to:

- Utilize a range of strategic analysis tools
- Appreciate the need for developing scenarios to manage uncertainty
- Understand the importance of questioning, prior to delivering solutions
- Enhance key leadership skills such as influence, persuasion & negotiation
- Recognize staff qualities needed for implementing change
