# The Complete Course on Contracts & Project Management

REF: U839 DATE: 3 - 14 June 2024 Venue: Kuala Lumpur (Malaysia) - Fee: 7950 Euro

## Introduction:

This intensive 10-day training course offers complete guidance for managing all types of projects that include the complexity of commercial and business relationships. The training course explores how to ensure projects deliver outcomes that are client-focused, contractually appropriate, and organizationally relevant.

This training course covers key aspects of project definition, planning, control, and handover to ensure relevant quality within time, budget, and resource constraints. It explores in detail what a contract does and does not require each party to the contract to do and the consequences for both parties of any failure. It also tackles team leadership, stakeholder management, and project communication.

## Course Objectives:

At the end of this course the participants will be able to:

- Develop project plans focused on delivering sustainable benefits
- Lead project teams in the use of contracts and delivery of projects
- Manage relationships with project stakeholders and contractual partners
- Improve their understanding of the role of contracts within a business
- Apply the latest international thinking in dispute resolution

## Targeted Audience:

- Contract Administrators & Contract Professionals
