Leading with Agility and Resilience

REF: M2091 DATE: 29 September - 3 October 2024 Venue: Cairo (Egypt) - Fee: 3520 Euro

Introduction:

This training program is a comprehensive initiative designed to equip participants with the essential skills and mindset needed to thrive in today's rapidly changing business landscape. Through a combination of theoretical insights, practical exercises, and experiential learning activities, participants learn to adapt quickly to shifting circumstances, navigate uncertainty with confidence, and lead their teams through challenges effectively.

Program Objectives:

At the end of this program, participants will be able to:

- Recognize the significance of managing agile and resilient teams in challenging situations.
- Examine their leadership skills for flexibility and resiliency.
- Take the initiative and create preventative measures to survive environmental disruptions.
- Develop convincing leadership techniques that promote resilience and agility.
- Implement plans to create and improve flexible, resilient organizations.

Targeted Audience:

- Executives and Senior Leaders aiming to enhance their leadership capabilities in dynamic environments.
- Mid-level Managers seeking to develop agility and resilience skills to navigate change effectively.
- Team Leaders and Supervisors interested in fostering agility and resilience within their teams.
- Human Resource Professionals involved in leadership development initiatives focused on adaptability and resilience.
