Compensation & Benefits Management

REF: H224 DATE: 30 September - 4 October 2024 Venue: London (UK) - Landmark Office Space Fee: 5300 Euro

Introduction:

In all organizations, the Human Resource is the greatest expense, so it is important that the administration of Compensation and Benefits is of the highest quality. Well, trained Remuneration staff are able to monitor the systems in place and add a strategic perspective.

This exciting new program looks at the basic building blocks of effective benefits administration and then goes on to explore the Strategic dimensions - how the whole process can add value for money and help the organization achieve its objectives.

It will focus on the current strategic issues facing organizations today - how to design strategy to cope with change in the societal setting and how to cope with change in the organizational context. We will look at the question of how organizations can encourage participation and engagement and still achieve organizational objectives and profitability.

Course Objectives:

At the end of the course the participants will be able to:

- Understand Reward philosophy and strategy
- Explore some of the issues surrounding the effective management of the human resource
