Organizational Development OD Masterclass

REF: M2099 DATE: 21 - 25 October 2024 Venue: London (UK) - Landmark Office Space Fee: 5300 Euro

Introduction:

The Organizational Development OD Masterclass training program is an intensive and advanced initiative designed to elevate participants' expertise in driving organizational change and growth. Through a comprehensive curriculum, participants delve into advanced concepts, methodologies, and best practices in OD, equipping them with the skills needed to lead transformative initiatives.

Program Objectives:

At the end of this program, participants will be able to:

- Demonstrate knowledge of the development of OD, its goals, and the role of the OD practitioner.
- Simply and commercially-driven but creatively position and explain the value of OD to your organization.
- Recognize the requirements for successful OD delivery at the individual and functional levels.
- Get a realistic understanding of the difficulties involved.
- Take tools with you so you can use what you have learnt at work.
- Deploy tools to evaluate the efficiency of an organization and provide guidance on the use of diagnostic models to gauge the organization's health
- Gather information to help you manage and start organizational changes, knowing how data and intervention type are related.

Targeted Audience:

- Human resources professionals.
- Consultants.
- Trainers.
