Contract Administration: Understanding and Implementing Contractual Obligations

REF: U1187 DATE: 5 - 9 August 2024 Venue: Bangkok (Thailand) - JW Marriott Bangkok Fee: 6960 Euro

Introduction:

The overall aim of this course is to provide participants with the knowledge, concepts, skills, and tools necessary to manage and administer contracts post-award. Participants in this interactive course will learn all the processes and activities required to implement contractual obligations. The course will also cover contract administration best practices.

Course Objectives:

At the end of this course the participants will be able to:

- Outline the major activities and steps of contract administration
- Identify administration tools that are used during the implementation as well as the role of the contract administrator
- Create a system to evaluate contractors and determine their strengths and weaknesses and demonstrate the importance of partnership in contract administration
- Explain the different types of variation orders, claims, and damages
- Prepare for negotiating contract variations and claims in order to reach a satisfactory settlement

Targeted Audience:

- All those involved in any aspect of implementing, managing, or administering contracts in the post-award phase of the contracting process and who want to learn about the best practices in contract administration.
