# Advanced Contracts Management

REF: U327 DATE: 30 September - 11 October 2024 Venue: London (UK) - Landmark Office Space Fee: 7950 Euro

## Introduction:

In every organization, the effective expenditure of enormous sums of money and resources is dependent on successful contract management activities. Selecting the appropriate contracting models and creating and managing formal agreements with suppliers of goods and services requires not only a complete understanding of the business requirements and organization needs but also depends on keeping up-to-date on contracting. This program is designed to:

- Explore the advanced practices generally viewed as leading to World-Class performance in contract selection, development, and management.
- Enable participants to determine where they are now.
- Help participants to begin immediate implementation of the steps needed to create maximum total value for their organization.

## Course Objectives

At the end of this course, the participants will be able to:

- Be more effective in contract management activities.
- Select the appropriate types and forms of contracts for different situations.
- Anticipate problems and manage risks.
- Integrate contract management with contract needs.
- Understand the best means of handling disputes and performance issues.
- Establish terms and conditions for different situations.
- Have the latest advances in contract selection and management.
