Leadership and Educational Management

REF: M2329 DATE: 8 - 12 July 2024 Venue: Kuala Lumpur (Malaysia) - Fee: 5300 Euro

Introduction:

In the dynamic landscape of education, effective leadership and management are crucial for fostering positive learning environments, driving institutional growth, and achieving educational excellence. This training program on Leadership and Educational Management is designed to equip participants with the skills and knowledge necessary to lead educational institutions effectively.

Program Objectives:

At the end of this program, the participants will be able to:

- Understand key concepts of educational leadership and management.
- Develop strategies for effective communication and team building.
- Implement best practices for curriculum development and assessment.
- Apply principles of organizational management and change.
- Cultivate ethical leadership and decision-making in an educational context.

Targeted Audience:

- School principals and administrators.
- Education policymakers.
- Department heads and coordinators.
- Teachers aspiring to leadership roles.

Program Outlines:

Unit 1:

Foundations of Educational Leadership:

- Defining educational leadership and its significance.
- Differentiating between leadership and management in education.
- Exploring leadership styles and their impact on educational institutions.

- Analyzing the role of emotional intelligence in effective leadership.
- Case studies: Exemplary educational leaders and their achievements.
