Media Management

REF: R1696 DATE: 29 July - 2 August 2024 Venue: Paris (France) - Fee: 5940 Euro

Introduction:

Media management is a branch of business administration that focuses on the development, planning, and brand building of media enterprises. This training program focuses on equipping participants with the skills necessary to effectively oversee various aspects of media content, distribution, and strategy. Participants will gain insights into media planning, budgeting, and audience analysis, allowing participants to engage in discussions and explore diverse perspectives on media management practices. The program culminates in participants developing comprehensive media management plans tailored to specific organizational goals and target audiences.

Program Objectives:

By the end of this program, participants will be able to:

- Master media planning, budgeting, and audience analysis.
- Stay updated on evolving media trends and technologies.
- Hone crisis communication and reputation management skills.
- Develop tailored media management plans aligned with organizational goals.
- Cultivate expertise in maximizing ROI through strategic media campaigns.
- Gain proficiency in optimizing content distribution across diverse platforms.

Targeted Audience:

- Media managers responsible for overseeing media operations and strategies.
- Marketing professionals seeking to enhance media strategy knowledge.
- Communication specialists crafting effective messages across media.
- Business owners aiming to optimize media presence.
- Advertising executives refining media planning skills.
- Public relations practitioners managing brand reputation through media.
