The Value of Positive Workplace Ethics on Productivity

REF: H2054 DATE: 16 - 20 September 2024 Venue: Bangkok (Thailand) - JW Marriott Bangkok Fee: 6960 Euro

Introduction

In this training course, participants will define good work ethics in the context of their own organizations and learn the methods for developing an atmosphere that fosters the growth of such ethics. Additionally, participants will learn how to develop effective workflows and processes, which are crucial conduits for work ethics to favorably impact the productivity of individual contributors, teams, and the business as a whole.

Course Objectives

At the end of this course, participants will be able to:

- Create an environment where work ethics can flourish
- Utilize abilities that will help you lead teams and individuals to success.
- Develop work procedures that translate ethical behavior into greater productivity and efficiency.
- Utilize leadership strategies that increase team productivity.
- Make sure staff members continue to be able to deliver excellent performance.
