The Integrated Program for Japanese Kaizen Strategy

REF: ST1597 DATE: 18 - 22 August 2024 Venue: Sharm El-Sheikh (Egypt) - Sheraton Sharm Hotel, Resort, Fee: 3520 Euro

Introduction

The Learning's Kaizen Strategy Course is delivered by highly qualified Quality Management practitioners with experience in implementing Kaizen techniques in real-world scenarios. Kaizen Training is one of the most widely-recognized continuous improvement techniques for quality management professionals globally. This Kaizen training course is ideal for individuals and enterprises that are looking to align change initiatives to achieve small incremental changes for key processes to achieve substantial gains over the long term.

The main takeaways are that you demonstrate an understanding of Kaizen techniques that can be easily implemented.

The Kaizen course covers key topics including key concepts relating to Kaizen, History of Kaizen, Training-Within-Industry, P-Courses, Six Steps of Kaizen, and Kaizen - Exercise.

Course Objectives

At the end of this course the participants will be able to:

- Interactive instructor-led Kaizen training in Turkey
- Highly qualified, certified, and accredited trainers
- Kaizen course adhered to global standards
- Kaizen course completion certificate
- Interaction with co-participants from diverse backgrounds
- Participate in Retrospective Sessions
