MBA

REF: M118 DATE: 15 - 19 December 2024 Venue: Sharm El-Sheikh (Egypt) - Sheraton Sharm Hotel, Resort, Fee: 3520 Euro

Introduction:

This training program is an educational initiative designed to equip individuals with advanced knowledge and skills in business administration. Through a combination of coursework, case studies, and practical experiences, MBA training programs aim to prepare students for leadership roles in the corporate world or entrepreneurship.

Program Objectives:

At the end of this program, the participants will be able to:

- Apply advanced analytical tools and techniques to solve real-world business challenges.
- Develop and implement strategic plans to drive organizational growth and competitiveness.
- Cultivate strong networking skills to establish valuable professional connections within the business community.
- Evaluate ethical and sustainable practices in business decision-making.
- Demonstrate proficiency in financial management, marketing strategies, operations optimization, and other key areas of business administration.
- Utilize technology effectively to streamline processes and enhance productivity.
- Navigate global markets and understand the implications of international business dynamics.
- Foster a culture of innovation and creativity within organizations to spur growth and adaptation.
- Lead change initiatives and manage organizational transformations effectively.
- Engage in lifelong learning and professional development to stay current with evolving business trends and practices.

Targeted Audience:

- All Supervisors, Middle Managers, Department Heads, and Senior Managers.
- Human Resource Personnel including HR Business Partners.
- Engineers and other Technical Professionals moving into Management positions.
- Non-business Professionals who need a wider understanding of Leadership and Management Principles.
- All professionals whose task it is to Create and/or Implement Strategy who have not undertaken a formal MBA program.

- Professionals who would like a refresher course in MBA type topics and want to be familiar with current thinking about running an organization in the 21st century.
