Advanced Communication & Problem Solving

REF: C620 DATE: 13 - 24 May 2024 Venue: Kuala Lumpur (Malaysia) - Fee: 8775 Euro

Introduction:

All businesses in the current climate need a competitive edge. This can be gained through innovative and exciting products and services, or effective and efficient world-class employees.

Top performing organizations are passionate about their most valuable resource - their staff. To maintain their high standards a large proportion of their time and energy is spent on continuous professional development, not only of their employees but of their business.

Teams that find solutions together make things happen. They are committed to getting the job done in the fastest and most efficient way. This doesn't happen by accident, it is down to the leadership, trust, and teamwork. The finest teams have a clear direction and a route to reach their ultimate goal.

This program investigates the tried and trusted leadership and management processes, procedures, and methodology used by many blue-chip organizations to achieve outstanding results. They utilize highly efficient management tools to develop high levels of performance from their staff. This in turn ensures the future and reputation of their companies through innovative development, service, and evaluation. This conference offers participants practical solutions to work-related issues.

You will explore a variety of behaviors, discuss leadership styles and learn how to get the most out of your staff by using state of the art techniques such as Neuro-Linguistic Programming NLP and Emotional Intelligence EQ.

Conference Objectives:

At the end of this conference the participants will be able to:
