Developing Professional Skills

REF: M1308 DATE: 29 September - 3 October 2024 Venue: Sharm El-Sheikh (Egypt) - Sheraton Sharm Hotel, Resort,
Fee: 3520 Euro

Introduction:

This training program is designed to equip participants with the essential abilities to lead effectively, inspire innovation, and foster entrepreneurial thinking. Through a combination of theoretical knowledge and practical skills development, participants learn to cultivate creativity, motivate teams, and navigate the complexities of modern business environments.

Program Objectives:

At the end of this program, the participants will be able to:

- Develop leadership skills and inject passion to motivate people, fostering a culture of innovation within the organization.
- Encourage thinking outside the box and cultivate creativity while managing it effectively to drive enterprise growth.
- Gain a better understanding of leading others towards innovation and deepen personal insights on cultivating creativity within the organization.
- Enhance the ability to motivate employees, increase productivity, and build group cohesion and rapport.
- Improve leadership skills, develop confidence in interpersonal dealings, and apply emotional intelligence to understand others better.
- Utilize knowledge of behavior styles to enhance leadership effectiveness and encourage innovative abilities, aiding in the development of effective change management strategies.

Targeted Audience:

- Aspiring entrepreneurs seeking to develop their leadership abilities and innovative thinking to establish and grow successful ventures.
- Established business leaders aiming to refine their leadership skills and foster a culture of innovation within their organizations.
- Professionals seeking to enhance their entrepreneurial mindset and adaptability in the rapidly changing business landscape.
- Organizations looking to invest in the development of their employees' leadership, innovation, and entrepreneurial competencies to drive growth and competitiveness.
