The Future of HR: Re-engineering the Employee Experience

REF: H2055 DATE: 3 - 7 November 2024 Venue: Sharm El-Sheikh (Egypt) - Sheraton Sharm Hotel, Resort, Fee: 3520 Euro

Introduction

You may learn how to re-engineer HR to meet the needs and requirements of a changing workforce, organization, and economy by taking the Future of HR training course. Additionally, you will discover the most recent HR best practices worldwide and what the top businesses are doing to be profitable and relevant.

The goal of this training program is to provide participants the most return on their investment in themselves. Attending this training session is advised.

Course Objectives

At the end of this course, participant will be able to:

- Give a brief explanation of how to reengineer HR.
- Create a strategy to turn HR into a Strategic Partner.
- Determine how individuals react to change and investigate the causes of resistance to change.
- Recognize human psychology and use the proper HR reaction
- Create a strategy for assessing and redesigning HR
