# Corporate Operational Audit Leadership Skills

REF: A793 DATE: 2 - 6 September 2024 Venue: Barcelona (Spain) - Fee: 5565 Euro

## Introduction:

Corporate Governance is now one of the hottest topics in the business world. It is both a regulatory requirement and a business enabler. But do you know whether your Corporate Governance activities are extracting maximum value? If not, this is probably because your Internal Audit team has not assessed this key topic. This audit approach is crucial as the Board and the Audit Committee need comprehensive assurance about this strategic business process. This course will provide all the tools and techniques essential to audit the complex and wide-ranging field of Corporate Governance. It will help you ensure that you are applying the very best practices and meet all regulatory requirements

## Course Objectives:

At the end of this course the participants will be able to:

- Audit the risk management process
- Meet stakeholder expectations regarding Corporate Governance CG
- Evaluate the effectiveness of business continuity planning
- Assist the Audit Committee in their Corporate Governance CG role
- Evaluate sustainability and environmental governance
- Audit joint ventures and partnerships
