29 December 2024 -
2 January 2025
Dubai (UAE)

Conference: Certified Lead Crisis Manager

REF: C2148 DATE: 29 December 2024 - 2 January 2025 Venue: Dubai (UAE) - Fee: 5310 Euro

Introduction:

Participants in the Lead Crisis Manager training conference get the skills necessary to assist an organization in developing, maintaining, reviewing, and continuously enhancing its strategic crisis management capability in accordance with ISO 22361 and other best practices. Additionally, it offers details on the essential ideas and guidelines of crisis management as well as how to set up and use a crisis management framework successfully.

Along with explaining the theoretical principles linked to crisis management, the training conference offers real-world examples and scenario-based exams that will help you solidify your understanding and get ready for crisis management scenarios that could arise in the real world.

Participants may seek to receive the "Certified Lead Crisis Manager" credential after passing the exam after completing the training conference and sitting for the exam. The certification shows that the holder possesses the theoretical and practical knowledge and abilities necessary to assist and direct an organization in establishing and growing its crisis management capabilities in accordance with ISO 22361 standards and industry best practices.

conference Objectives:

At the end of this conference the participants will be able to:

- Describe the core ideas and guidelines for crisis management based on ISO 22361
