Advanced Tax Administration

REF: TR1920 DATE: 30 June - 11 July 2024 Venue: Dubai (UAE) - Fee: 7480 Euro

Introduction:

This training program provides an in-depth exploration of complex tax laws and regulations, equipping participants with advanced knowledge and skills necessary for effective tax administration. The program also focuses on the role of technology and emerging trends in tax administration, preparing participants to navigate the evolving landscape of tax administration with confidence.

Program Objectives:

At the end of this program, the participants will be able to:

- Take part in engaging group discussions and tax administration case studies.
- Connect with other participants and foreign tax administration professionals.
- Enhance tax administration-related performance management policies.
- Boost cross-sector and international tax administrator cooperation.
- Streamline fundamental tax administration processes' management.
- Contribute to the primary goals of the agenda for tax administration reform.
- Implement cost-effective methods based on current notions of taxpayer segmentation, self-assessment, and sound organization and management.
- Utilizing the right technologies, ensure function-based operations, lower taxpayer compliance costs, and boost tax system integrity.
