Guide to Project Management Development PMD Pro 1

REF: P826 DATE: 11 - 15 November 2024 Venue: Bangkok (Thailand) - JW Marriott Bangkok Fee: 6960 Euro

Introduction:

Projects, regardless of their scope of work, follow a number of principles in their management. The management of development projects may affect the livelihood of many people in need. This program is a guide in this process. It will introduce participants to the project management stages, and will open their eyes to tiny little aspects they might not be aware of.

Program Objectives:

At the end of this program, participants will be able to:

- Understand the life cycle of projects.
- Abide by the pre-determined scope, time, and budget of the project.
- Ensure equitable participation in project development.
- Effectively conclude projects and avoid leaving pending issues unresolved before closure.

Targeted Audience:

- Project managers .
- Development sector professionals.
- Consultants/contract staff.
- The staff of international NGOs.
