Women In Leadership

REF: M2175 DATE: 27 - 31 May 2024 Venue: Cambridge (UK) - Fee: 5830 Euro

Introduction:

This training program is specifically designed to empower women in leadership roles by providing them with the necessary skills and strategies to succeed. Through a combination of theoretical learning and practical exercises, participants learn to navigate gender-related challenges, develop their leadership capabilities, and advance their careers.

Program Objectives:

At the end of this program, participants will be able to:

- Understand the unique challenges and opportunities for women in leadership.
- Develop key leadership skills, including communication, strategic thinking, and decision-making.
- Build a strong personal brand and leadership presence.
- Learn how to manage and leverage diverse teams.
- Develop a network of supportive peers and mentors.

Targeted Audience:

- Women in mid- to senior-level management roles aspiring to advance their leadership skills.
- Female executives and leaders aiming to overcome gender-related challenges in the workplace.
- Women seeking to develop strategies for navigating organizational dynamics and achieving career growth.
- Organizations committed to fostering gender diversity and empowering women in leadership positions.
- Individuals interested in promoting gender equality and supporting women's leadership development initiatives.
