Advanced GRC Mastery

25 - 29 November 2024  
Trabzon (Turkey)

## Advanced GRC Mastery

REF: I1805 DATE: 25 - 29 November 2024 Venue: Trabzon (Turkey) - Fee: 5300 Euro

### Introduction:

This training program provides discussions about board structure, committees, and their functions. It covers the process of managing risks in accordance with the Committee of Sponsoring Organizations of the Treadway Commission COSO requirements. It also includes a discussion on internal controls. Those controls are used to respond to the risks in different areas of the corporation.

### Program Objectives:

At the end of this program the participants will be able to:

- Define corporate/public governance and its connection to risk management and internal controls.
- Discuss the roles and responsibilities of the various stakeholders in a private or public company.
- List the functions of corporate/public governance and identify the difference between the various models.
- Identify the key areas of risk management and its external and internal environment changes.
- Identify the correct controls to be implemented in a private or public sector company.

### Targeted Audience:

- Executives and Board Members.
- Internal Auditors.
- Compliance Officers / Managers and their Deputies.
- Governance Professionals, GRC Professionals and Legal Professionals.
- Risk Managers, Regulatory Representatives and Company Secretaries.
- IT Professionals dealing with governance, risk management and compliance.
- Managers responsible for governance, risk management and compliance activities.
