Developing Excellence in People Leadership

REF: M117 DATE: 22 July - 2 August 2024 Venue: London (UK) - Landmark Office Space Fee: 7950 Euro

Introduction:

This training program is designed to cultivate essential skills and strategies for effective leadership in managing and inspiring teams. It emphasizes the importance of empathetic leadership, communication, and talent development to empower leaders to bring out the best in their teams.

Program Objectives:

At the end of this program, the participants will be able to:

- Study effective management of thoughts, beliefs, focus, and action.
- Consider strategies for building confidence, enthusiasm, and courage.
- Explore methods to improve communication skills.
- Analyze the public face of leadership.
- Gain insights into their own strengths, weaknesses, and leadership styles.
- Understand the emotional makeup of their teams, colleagues, and customers.
- Harness their employees' emotional intelligence to foster creativity in the workplace.
- Understand and practice key people skills to motivate towards excellence.

Targeted Audience:

- Current and aspiring leaders at all levels of management seeking to enhance their leadership effectiveness.
- Professionals looking to develop essential skills in communication, emotional intelligence, and motivation.
- Individuals responsible for managing teams or driving organizational change.
- Executives and managers aiming to create a positive work environment and foster employee engagement.
- Employees interested in honing their leadership abilities and understanding the dynamics of effective people leadership.
