Holiday Inn Baku

Certified KPI Professional and Practitioner

REF: H1651 DATE: 12 - 16 August 2024 Venue: Baku (Azerbaijan) - Holiday Inn Baku Fee: 5830 Euro

Introduction:

Practitioners consider selection and data gathering worldwide to be the most challenging aspects of working with Key Performance Indicators KPIs. A way to address these challenges is to build a sound framework to measure KPIs, starting from the moment they are selected, until results are collected to be centralized in performance reports.

Course Objectives:

At the end of this course the participants will be able to:

- Understand KPI measurement challenges and how to address them;
- Select KPIs for scorecards and dashboards from the organizational to the departmental and individual levels;
- Develop a KPI implementation project plan;
- Optimize the KPI activation and data gathering process.
- Differentiate between objectives, KPIs, and initiatives;
- Understand KPI selection in different contexts;

Targeted Audience:

- Professionals interested in measuring performance
- Top/middle/lower management professionals
- Performance measurement experts
