# Best Practice in Planning and Organizing

REF: P762 DATE: 10 - 14 June 2024 Venue: Kuala Lumpur (Malaysia) - Fee: 5300 Euro

## Introduction:

The Best Practice in Planning and Organizing program is the ideal way to learn and practice the skills of good planning. It helps participants understand the key elements of planning and organizing and shows how they can be readily applied to the delegates' work environments. It will help people interested in clearly identifying and prioritizing the tasks and activities needed to achieve both business and personal goals.

## Program Objectives:

At the end of this program the participants will be able to:

- Gain insight into the principles and significance of correct planning, including essential ingredients and goal prioritization.
- Acquire proficiency in organizing plans for successful implementation and utilizing planning tools like Gantt Charts effectively.
- Develop skills in prioritizing work and personal organizing strategies to achieve work-life balance.
- Learn techniques for organizing office space, computer systems, and paperwork efficiently.
- Practice planning and organizing skills in a controlled environment to enhance proficiency and application.

## Targeted Audience:
