Business Brain Train To Achieve Effectiveness

REF: Z148 DATE: 15 - 26 July 2024 Venue: London (UK) - Landmark Office Space Fee: 7950 Euro

Introduction:

This training program is designed to optimize business performance through a comprehensive understanding of cognitive processes. Through experiential learning and practical exercises, the program equips individuals with the tools to enhance productivity, adaptability, and strategic thinking within the business context.

Program Objectives:

At the end of this program, participants will be able to:

- Read faster and more efficiently. Tackle reading tasks with more confidence.
- Combine fast reading, mind-mapping, and memory skills with time management techniques to help handle "information overload".
- Develop effective strategies for managing time, priorities, and pressure.
- Explore and develop new ideas and approaches.
- Be more confident in your ability to work in groups, to contribute ideas, and to take initiative and responsibility.
- Understand how to create a "success culture" using "business brain skills".

Targeted Audience:

- Managers.
- Supervisors.
- Team leaders.
- Human Resources Employees among all departments.
