Proactive Leadership Mastery

REF: M666 DATE: 9 - 13 September 2024 Venue: London (UK) - Landmark Office Space Fee: 5300 Euro

Introduction:

This is a comprehensive training program designed to equip leaders with advanced skills to lead proactively. Through practical exercises and expert guidance, this program empowers leaders to navigate complexities, inspire innovation, and achieve sustainable success.

Program Objectives:

At the end of this program, the participants will be able to:

- Distinguish between the proactive/strategic approaches to managing training and the traditional/ reactive approaches.
- Use appropriate methods to identify training needs.
- Design and conduct training needs analysis.
- Analyze the components of human performance and determine how managers and/or corporate culture may enhance performance.
- Evaluate the effectiveness of training.

Targeted Audience:

- Executives and senior managers seeking advanced leadership skills.
- Team leaders and supervisors aiming to enhance their proactive leadership abilities.
- Professionals aspiring to develop proactive management techniques.
- Employees preparing for leadership roles focused on proactive leadership strategies.
