# Leading with Excellence

REF: C484 DATE: 7 - 18 October 2024 Venue: London (UK) - Landmark Office Space Fee: 8775 Euro

## Introduction:

The environment of current competitive business requires an increased focus on skills in negotiating and communication, and new processes such as planning and organizing work tasks to improve productivity. Additional skills such as delegating to empower staff to higher performance and change management also help today's modern leader create success.

Negotiation is inevitably at the heart of every process to achieve what you want or need to build an alliance or work with consultants or suppliers. At the end of each negotiation, the goal is to seek a win-win agreement. Negotiation, Persuasion, and Critical Thinking are the skills covered in the first half of this conference.

Businesses and indeed, all organizations, find themselves needing more productive methods of planning, more appropriate goals, and effective means of accomplishing work. A focus on using productive best practices allows for effective and efficient management of work and making changes in the organization. Planning and Organizing Work, and Delegating to build a strong team are the skills learned in the second half of this conference.

## Conference Objectives:

At the end of this conference the participants will be able to:

- Recognize aims for key alliances - how to develop and manage them
- Develop an effective plan and strategy for negotiations
- Practice and develop skills for influencing others - especially those who are vital to your long-term business development strategy
- Gain confidence as a trusted negotiator who knows which behaviors to adopt for each stage of the negotiation
- Successfully apply the principles of persuasion to key negotiation situations
- Recognize and counter the most common negotiating ploys
- Understand and develop skills necessary to complete work on time
- Learn how to organize work and projects to complete them successfully
- Understand the characteristics of colleagues who do work in our teams
- Develop positive interpersonal techniques for better team relationships
- Learn to develop effective work and project plans for individuals and teams
- Learn management techniques to plan and organize work
- Develop skills in interpersonal interaction to better teamwork
- Adds personal value and competency to an organization
