Networking for Business Success

REF: B1161 DATE: 6 - 10 October 2024 Venue: Cairo (Egypt) - Fee: 4095 Euro

Introduction:

Business networking is an effective and efficient way for business people to connect, develop meaningful relationships, and grow their businesses. These achievements don't come through a direct sales approach, however. They come from being interested in helping others, in listening, and in purposefully meeting and introducing people to one another. In this course, you'll learn the essential ingredients for business networking, including in-person, people-centered connections, and online spaces such as LinkedIn.

Course Objectives:

At the end of this course the participants will be able to:

- Introduce themselves in a meaningful, memorable way, even if they have never worked on an elevator pitch before
- Be goal focused on networking so that they make the most of the events they attend
- Apply the concept of giving first and be helpful as a part of a system of reciprocity
- Use strategy and systems in order to network effectively
- Leverage the availability and usefulness of the Internet, including LinkedIn and Twitter
