Achieving Excellence by Providing a Quality Service

REF: V349 DATE: 9 - 13 December 2024 Venue: Casablanca (Morocco) - New Hotel Fee: 3685 Euro

Introduction:

Achieving customer service excellence is not accomplished by accident, nor is it attained without effort and teamwork. It requires well-trained customer service professionals who have a passion for providing quality service. This training program emphasizes the importance of providing customer service excellence in a competitive environment, proven strategies for service recovery, and negotiation techniques for professionally dealing with difficult customers.

Program Objectives:

At the end of this program the participants will be able to:

- Establish the importance of setting and reviewing customer service standards, and develop an understanding of internal and external customer expectations, while communicating more effectively by utilizing active listening and questioning skills.
- Demonstrate how to deal with difficult customers effectively, improve conflict resolution skills, and set SMART objectives and goals to increase daily productivity.
- Utilize stress management techniques to reduce tension, identify key components that promote customer retention and loyalty, and describe the practices of a world-class customer service provider to model their own performance on those practices.
- Utilize interpersonal skills as vital tools in the provision of customer service, and develop a customer-focused mindset for continuous improvement.
