Effective Purchasing and Contract Negotiation Strategies

REF: C508 DATE: 27 - 31 May 2024 Venue: Kuala Lumpur (Malaysia) - Fee: 5850 Euro

Introduction:

The ability to negotiate is one of the basic commercial business requirements yet it is often delegated to those least able to produce an effective outcome. The impact of poor negotiation is therefore felt throughout an organization and has an immediate negative effect on company profitability.

This seminar provides practical, experience-based guidance in planning and conducting a successful negotiation and identifies on an individual basis the key competencies and skills required to emerge on the winning side.

Conference Objectives:

At the end of this conference the participants will be able to:

- Understand the importance of planning in successful negotiations
- Explore the approaches in negotiations
- Recognize the standards of ethics
- Understand the importance of determining, rating, and valuing the issues in a negotiation
- Evaluate strengths and weaknesses
- Understand the important issues in various contract clauses
- Understand the important elements of the final preparation
- Explore common negotiation tactics & countermeasures
- Gain experience & confidence through the actual negotiation of sample cases

Targeted Audience:

- Purchasing Professionals
