Coaching Skills for Managers

REF: M2098 DATE: 5 - 9 August 2024 Venue: London (UK) - Landmark Office Space Fee: 5300 Euro

Introduction:

The Coaching Skills for Managers training program is a comprehensive initiative designed to equip participants with the necessary skills and tools to effectively coach and develop their teams. Through a blend of theoretical insights, practical exercises, and experiential learning, participants learn how to inspire, motivate, and empower their team members to achieve their full potential.

Program Objectives:

At the end of this program, participants will be able to:

- Utilize a coaching model, tools and techniques.
- know when to use coaching with staff and peers.
- Develop strong 1-2-1 interpersonal, listening and communication skills.
- Empower team members to identify their own goals and improvements.
- Connect individual staff to the strategic needs of your organisation.
- Build and maintain more positive, constructive working relationships.
- Retain high performers by giving them responsibility for and ownership of success.
- Establish a coaching relationship.
- Ask powerful questions, Generate new options and Set realistic goal.

Targeted Audience:

- Mid-level Managers aspiring to enhance their leadership abilities.
- Supervisors and Team Leaders seeking to improve their coaching skills.
- Human Resource Professionals involved in talent development.
- Executives aiming to foster a coaching culture within their organization.
- Leaders interested in mastering coaching techniques for effective leadership and team development.
