Managing the Procurement Process

REF: L1215 DATE: 16 - 20 September 2024 Venue: London (UK) - Landmark Office Space Fee: 5850 Euro

Introduction:

Managing the procurement process is NOT ONLY the business of contracts and procurement departments. Who are also key players in the procurement process? Why do some rigorously selected suppliers fail in performance after the contract award? What are the responsibilities of the clients in the successful or unsuccessful deliverables of suppliers? When there is a dispute between clients and suppliers, how to handle it? Is it even better to minimize or prevent disagreement at all? What are the often missing soft skills in managing the procurement process?

Course Objectives:

At the end of this course the participants will be able to:

- Position procurement as a valued and trusted function
- Understand why projects fail and the reasons for failure
- Analyse the difference between the Needs and Wants of the end-user
