MBSC Advance Leadership

REF: M2319 DATE: 9 - 13 September 2024 Venue: London (UK) - Landmark Office Space Fee: 5300 Euro

Introduction:

This program goes beyond traditional leadership concepts, delving into cutting-edge practices that empower leaders to drive organizational growth, innovation, and success. Through a combination of theoretical frameworks, practical exercises, and case studies, the program fosters a strategic and systemic approach to leadership.

Program Objectives:

At the end of this program, the participants will be able to:

- Develop a deep understanding of strategic thinking, enabling participants to make informed decisions that drive organizational success.
- Cultivate a culture of innovation within your team and organization by harnessing creativity and embracing change.
- Learn effective techniques to navigate and lead through periods of transformation and change.
- Hone emotional intelligence skills to build strong relationships, enhance communication, and navigate complex interpersonal dynamics.
- Gain insights into team dynamics, motivation, and collaboration, fostering high-performance teams that deliver results.
- Develop skills to optimize resource allocation, budgeting, and risk management for sustainable growth.

Targeted Audience:

- Experienced Managers.
