Managing People at Work

REF: H91 DATE: 13 - 17 October 2024 Venue: Istanbul (Turkey) - Sheraton Istanbul Levent Fee: 5300 Euro

Introduction:

People's problems can include work-related stress, marriage problems, lack of motivation, work stress, long hours of work, turnover, under-staffing, nationalization, bullying, and job insecurity all impact on employee's health and performance. The cost to the employer can be enormous. No matter what industry you work in, stress at work can be a very real and overwhelming experience.

The amount of employees suffering from stress and stress-related illnesses is rapidly rising. More than half 53% of people in work have suffered stress in the past 12 months, while one in four people had taken time off sick through stress in the previous year, according to the latest research by the International Stress Management Association. This course allows participants to critically analyze their HR approach managing people problems in the workplace and put development plans in place to manage this vital workplace issue. The ability to manage people's problems at work is a critical skill for all people managers and HR professionals.
