Accounts Payable: Planning, Organising & Achieving Best Practice

REF: F1321 DATE: 11 - 15 November 2024 Venue: London (UK) - Landmark Office Space Fee: 5300 Euro

Introduction:

This program provides businesses and other organizations with a strong sense of where they stand against industry leaders and shows them how to take their services and organizational processes to state of the art levels.

Documented strategies and tactics employed by highly admired companies are presented both successful and unsuccessful to illustrate the real-world functionality of each process and approach.

Course Objectives:

At the end of this course the participants will be able to:

- Work effectively with the fundamentals of accounts payable, financial accounting, and the supply chain.
- Understand and apply the fundamentals of accounts payable systems.
- Review and comment on payment methods and cash management.
- Analyze the need to incorporate risk and uncertainty into accounts payable analysis.
- Identify best practices across all industries.

Targeted Audience:

- Finance Executives and Professionals.
- Accountants.
- Accounts Payable Managers.
- Accounts Payable Supervisors.
- Accounts Payable Personnel.
- Others who are working within the accounts payable process or who wish to develop a practical toolkit to complement their existing professional or technical skills.
