Certificate in Business and Commercial Law (CBCL)

REF: U2126 DATE: 11 - 15 November 2024 Venue: London (UK) - Landmark Office Space Fee: 5300 Euro

Introduction:

Business and Commercial Law is a vital aspect of the legal system, which deals with the regulation of business practices and commercial transactions. This 5-day training course aims to provide participants with a comprehensive understanding of the legal framework that governs businesses and commercial transactions in their jurisdiction. The course will cover the essential principles of business and commercial law and the practical aspects of its application.

Course Objectives:

At the end of this course, the participants will be able to:

- Provide participants with a comprehensive understanding of the legal framework that governs businesses and commercial transactions in their jurisdiction.
- Equip participants with the knowledge and skills needed to identify, analyze and resolve legal issues related to business and commercial transactions.
- Enable participants to understand the role and responsibilities of lawyers in business and commercial law.
- Foster an appreciation for the importance of ethics and professional conduct in business and commercial law practice.
- Develop the skills needed to draft and negotiate business and commercial contracts and to advise clients on their rights and obligations.

Targeted Audience:

- The course is designed for lawyers, business professionals, executives, entrepreneurs, and anyone interested in gaining a deeper understanding of business and commercial law.
