Corporate Social Responsibility And Marketing

REF: R1685 DATE: 14 - 18 October 2024 Venue: Kuala Lumpur (Malaysia) - Fee: 5300 Euro

Introduction:

This program designed to explore the intersection between business practices, social impact, and marketing strategies. Participants will delve into the core principles of CSR, examining its role in fostering sustainable business practices and positive societal contributions. It emphasizes the integration of CSR into marketing strategies, focusing on how companies can authentically align their brand values with social responsibility initiatives to enhance reputation and consumer loyalty. Through this program, participants will gain insight into effective CSR communication and implementation strategies within the marketing context. Ultimately, the program aims to equip professionals with the knowledge and skills needed to leverage CSR as a strategic tool for building brand credibility and driving business success.

Program Objectives:

By the end of this program, participants will be able to:

- Understand the principles and importance of Corporate Social Responsibility CSR in business.
- Explore the relationship between CSR and marketing strategies.
- Identify opportunities for integrating CSR initiatives into marketing campaigns.
- Learn how CSR practices can enhance brand reputation and customer loyalty.
- Develop skills to effectively communicate CSR efforts to internal and external stakeholders.
- Gain insights into ethical considerations and best practices in CSR implementation within marketing contexts.

Targeted Audience:
