Leading through VUCA

REF: M1632 DATE: 28 October - 1 November 2024 Venue: Bangkok (Thailand) - JW Marriott Bangkok Fee: 6960 Euro

Introduction:

The Leading through VUCA Volatility, Uncertainty, Complexity & Ambiguity training program equips participants with strategies and skills to navigate dynamic and challenging environments effectively. Through a focused curriculum, participants learn to embrace ambiguity, leverage uncertainty, and lead with resilience in volatile and complex situations.

Program Objectives:

At the end of this program, the participants will be able to:

- Apply techniques to lead, motivate and inspire individuals to their full potential.
- Demonstrate the best leadership principles.
- Develop as an effective and efficient leader in the modern world.
- Understand the impact of VUCA on leading styles in today's dynamic business.
- Critically analyze the VUCA principle.
- Apply powerful skills and techniques to lead through VUCA.
- Increase self-awareness of your leadership ability in today's changing world.

Targeted Audience:

- Directors.
- Senior Managers.
- Middle Managers.
- Identified talent, high potential and future leaders in the business.

Program Outlines:
