Conference: Ensuring the Quality of Certification in Vocational Education and Training

REF: C2185 DATE: 4 - 8 August 2024 Venue: Amman (Jordan) - ibis Amman Fee: 3900 Euro

Introduction

Trust in qualifications plays a crucial role for people. In this case their qualification has value and they can use it for employment, further education or training. In June 2015 the Vocational Education and Training VET ministers for the European Union EU Member States acknowledged the importance of encouraging transparency, comparability and recognition of VET qualifications to facilitate the mobility of students and workers in Europe.

Conference Objectives

At the end of this conference, participants will be able to:

- Do research phases and know about methods applied
- Understand the certification process
- know how to provide clear reference points for assessment
- Know how to provide information to stakeholders.
